Memorabilia

This is our book of memories.

What to remember—what to forget?

FOREWORD

The earnest desire of the Class of 1945 is that this, the 1945 Lore, may through its pages give a true reflection of life and of activities at L. H. S. We have selected "Memories" as our theme and hope that we have succeeded in recalling the scenes and faces associated with our high school career. When our memories grow dim, may it serve as a reminder of the "good old school days" in Lewistown High School.

"Friends depart, and memory takes them
To her caverns, pure and deep."

SHIRLEY HOUSER
VIVIAN McCORMICK

Memory is the safe keeping of a lovely thing.

Loved for, remembered, teacher and friend.

DEDICATION

The Lore Staff and The Class of Nineteen Forty five respectfully dedicate this Lore to Miss Mary Frankenberg.

She was our admired teacher and experienced leader throughout our three years in Junior High School and has been our class advisor and staunch friend since our entry into Senior High School. She has graciously cooperated in everything we have undertaken. Through her untiring effort she has won our sincerest respect and admiration.

In this dedication we attempt to thank her for her willing and unwavering support of our class.

DAVID CONNER
DICK GARRETT

That memory is the book of judgment, I can well believe.

BOARD OF EDUCATION

One of the purposes of a yearbook is to fashion a record, pictorial and written, so that in the years to come easy reference may be made to a parade of the past. It may be a task to collect all the elements necessary to produce another memorable volume of "The Lore—the labor entailed will return sweet riches in the future.

Memory can only glean, but never wholly renew school years. Memories will bring joy faint as the delicate perfumes of the springtime flowers, faded and dried, of the early years that will be gone.

Who could forget the years when the Class of '45 came, and went away to fill important places in war and in peace? Some have gone early. Only memory will occupy the places they filled and the things they did here.

SENIOR CLASS HISTORY

Now, looking back over the years, we see that our three years of Senior High School have passed more quickly than we expected. It seems only yesterday that we entered here as Sophomores. Although many activities and studies were different, we soon accustomed ourselves to them. At our first Sophomore class meeting the following officers were in charge: Jay Shenk president; Jeanne Billman, vice-president; Barbara Jo Heck, secretary; Robert Steltzer, treasurer. The highlight of the Sophomore year was our class party held in December.

Our Junior year was very successful with the following students presiding over our class: Jeanne Billman, acting president; Delores Crago, secretary; Jay Shenk, treasurer. During this year we received our class ring, and brightened the campus with our class hats, which made known our class colors, green and white. We devoted our second semester to planning the long awaited Junior Prom, which was looked forward to by every Junior.

We opened our Senior year by electing the following officers: Richard Basom, president; Lois Boring, vice-president; Jeanne Billman, secretary; Douglas Shearer, treasurer. The Student Council and Libe Staff took over their respective duties soon after the beginning of the

year. Throughout the year our class was very co-operative in all sports and in the various activities of the school. The first semester saw the exchanging of name cards, and the receiving of the class pictures. Our class was the first in the history of our Alma Mater to have the class song written before the close of the first semester. Our class play, "All Aboard", was chosen with careful consideration and was looked forward to with great anticipation. In the conclusion of the successful year, the first event was the Junior Prom. It was very successful, and we take this space to thank the Class of '46. The last great affairs were the Dinner Dance and Commencement. These were to the Class of '45 as the Junior Prom was to the Class of '46. The Class of '45 will remember the Dinner Dance, and there will never be another one like it. We now hopefully awaited commencement which would end one of the happiest years of our lives. Although our plans were often changed on account of wartime conditions we did not complain. We also participated in many activities to help the war effort. Now, we want to say, "Thank You" for all that you have done for us, dear old L. H. S.

LOIS AND DICK

Happily I will remember.

(Tune: Always)

Times will not be blue, always

When we think of you, always

Dear old L. H. S., we shall now confess

We'll remember you, always, always.

We'll revere your name, always

With pride we shall recall, always

Dances, plays, and games

That bring our school her fame

Now, L. H. S., we bid farewell!

LOW LIFE

Therefore, of all the pictures that hang on memory's wall.

1946

As we, the class of 1946, entered the Junior Department of our school, we had to adjust ourselves to a larger building and a different environment. In our ninth year we became the upper classmen in our building. When our graduation from the Junior Department was over, we felt that we were prepared for anything that might come, so we said good-by to Lewistown Junior High, but many happy moments still take us back.

We were now entering one of our most important years in our class history, our first year in the Senior Department. At the beginning of the year we elected the following class officers: President, Jack Miller; Vice-President, Geneva Gross; and Secretary, Zola Robinson. We were also planning and hoping for one of the most successful Sophomore Parties that was ever given, and we surely were not disappointed. We were now another step higher in the ladder of success.

Next we were rated as jolly Juniors, and we all were firm and established in our school life. New officers were elected: President, Marvin Peters; Vice-President, Hope Wagner; Secretary, Zola Robinson; and Treasurer, Jack Miller. We also selected class colors, which were red and white, and hats and pennants.

We are now looking forward to one of the most colorful and enjoyable Junior Proms ever given in our school. And now, Class of '45, we wish you "Godspeed and bon voyage".

In September of 1944, the Class of 1947 entered the Senior Department of Lewistown High School.

With a fine record to look back upon, including our record breaking Freeman operetta "Dare Bare" and a pep rally party which was the first for the seniors, awaiting the last three years of seniority we started off with a bang. We elected the following our class officers: President Albert Sprecher, Vice-President Marjorie Graham, Secretary Winifred Peck, Treasurer Anna Detwiler.

Our class adviser whom we owe much are Mr. Creelman, Mr. Schneider and Mr. Hafford.

With the first more year half way over, we feel that we have had a good start as loyal citizens of L. H. S. Many of our boys have participated in football, basketball, wrestling, soccer and other sports and activities throughout the year. We have had a large representation in the A Cappella Choir and orchestra, and many of our girls have also been active in the Hall Hours, and assembly programs.

The main event of our Sophomore year will be our class party which we are all anticipating. We know it will be a great success.

And now we look to our last two years in high school hoping to enjoy equally as well our record breaking futures.

We the Class of 1948 entered Lewistown High School as seventh-graders, September 1942. We were 250 strong.

During our first year in the Junior Department at the high school, we didn't participate in many activities, but we were well contented learning the rules and regulations. A few of the students of the Class of 1948 were in the W. C. T. U. Contest, and Virginia Lonsdale had a leading part in the play entitled "The White Phantom" given by the Junior Department.

In the eighth grade we participated in more of the school activities. We went to the football games for which the gymnasium was used. Some of the students of the eighth grade helped to plan and make the decorations.

On one evening of entertainment a play entitled "Thank You Doctor" was given. Lee Snook, Robert Wilson, and George Foster were the eighth grade students in it. It was a great success. At the end of that evening many of the parents of the Class of 1948 were in the gymnasium.

During our ninth year we had our first class meeting at which we elected officers. The same officers who however had been reelected 1943-44 were reelected for 1944-45. They were William Heckert, present Play Director; Phyllis Carter, Mary Jane Esh, Secretary; Sam Boova, Treasurer.

In the ninth year the new officers elected were: George Frantz, Class Monitor; we had the first, and last, in our town home. We also had, the same year, the first, and last, in our town home. From in

our way, our first part was over to the 18th Street Gymnasium, where we had many of the exercises, and some of the fun, including and Javelin.

We have not decided on an operetta but we are looking forward to the holidays.

1949

The Class of 1949 has completed another year filled with hard work and plenty of pleasures and is ready to take its place as Freshmen and to uphold their standards.

During our two years in the Junior Department our class participated in the various activities of the school. We have been represented in cheer leading, student council, orchestra, Tri Hi-Y, and the Hi-Y clubs. As seventh graders we were proud of the fact that a boy from our class, Edward Bunker, won first prize in the W. C. T. U. declamation contest.

In the fall of 1943 we elected our class officers for the year 1943-44 as follows: President, Eugene Kline; Vice President, Betty Bigelow; Secretary, Wanda Wise; Treasurer, Jack Patton. This year we elected our 1944-45 class officers who are: President, James Houser; Vice President, Betty Bigelow; Secretary, Wanda Wise; Treasurer, Duane Brode.

Credit for our successful years is due not only to the officers alone but to every member of our class and our worthy advisor.

Since this school year has come to an end the class bids the Freshmen goodbye, anxious to take their places and to carry on their fine work.

MARY EVELYN FOUCART

I have had companions.

And the memory I started.

1950

We started out our High School career in September, 1944. Getting acquainted with other students and new teachers and finding our way around the halls was very interesting and at times a little puzzling; but, after a few weeks here, things began to run smoothly and easily.

Some of us have been entering various activities which we enjoy very much, for they are entirely new to us as seventh graders. For example, there are football, basketball, wrestling, the Junior High Orchestra, and the Junior High Band that was just organized this year under the supervision of Mr. Koch. We enjoy very much the Junior High dances that occur four times a year. We participated not only in the drives and enjoyment that our school offered us, but we responded well to our duties and obligations.

The seventh grade has participated very well in all the drives made for the war effort. We led the Junior Department in the Sixth War Loan Drive. These pupils responded very well. Those attaining outstanding ranks were: General Ann Goldstein and Susan Robinson, Brigadier General Fred Wian and Terry Snider; Lieutenant Colonel Jean Diehl and Evelyn Wagner; Major Diane Guyler, June Peterson, and Dawn Keiser; Second Lieutenant Sara Goss.

We elected our class officers in January, 1945, and they are as follows: President, Terry Snider; Vice President, Barbara Graham; Secretary, Jeanette Jones; and Treasurer, Paul Goss.

We are looking forward to our next two years in the Junior Department, and we hope that we will enjoy them as much as the first year.

FUTURE FARMERS OF AMERICA

The past year we boys of the Ag Class have been busy with our various activities. We have husked corn, organized a Swine Breeder Association, gathered milk weed pods, held a Science-Ag Show and Exhibit in the High School Library, held our first Parent and Son banquet and started an annual F. F. A. Activity Contest sponsored by the Fort Granville Grange.

Besides the various activities we are now in

a new shop in which we have the necessary tools to do all types of farm repair work. A group of us went on a camping trip to Camp Potato in Potter County and on many other educational trips. We are now busy sponsoring Farm Machinery and Poultry Production classes, contests, and practicing our motto: "Learn-

NATIONAL FORENSIC LEAGUE

On account of the restrictions that war has imposed, the activities of the National Forensic League have been retarded. There have been few interscholastic debates or speaking contests during this school year.

The members of this organization are working and planning for the debates and numerous contests to be held in Newark, N. J. Perhaps debates can be arranged to be presented between State College High School and Lewown High School.

This year the members have filled the place of debating by giving speeches and declaimations before the various clubs, our school assembly, and other organizations.

As an addition the girls left it very independently for every command and encouragement for the remaining three years. The served at board of the National M.G.A. for

the circuit to remain after. During the winter of 1919-20 the girls attended the meeting of the First Methodist Church, Second Avenue and 20th Street, where they were entertained.

Afterwards, the Tri-Hi-Y girls have had a very active season.

GLEE

The Glee Clubs under the direction of Mrs. Mildred Wentz, have served our school well this year. Sophomores, Juniors, and Seniors, alike have contributed to both clubs.

The clubs appeared before the community several times and before other various organizations of the town. The Senior girls sang anthems from different foreign countries for the program on Armistice Day; the newly organized A Cappella Club presented a program of Christmas carols for the Community Center and a program for the Fellowship Meeting held in February; the Junior girls sang

"Music is the gladness of the world."

VICTORY CORPS

This year, as in the past few years since the war the Victory Corps has had the patriotic task of recruiting and training in the homerooms and participating in the town campaign.

The tin can salvage collection was carried on during the months of November and December. The High School alone collected 1,075 pounds while all the schools together totalled 7,650 pounds collected.

The Victory Corps was very active during the Sixth War Loan Campaign. Through the F.F.A. and G.B.C., \$125,000 was easily reached with the High School adding \$47,412. The entire Lewistown Schools reached \$185,899.75 or 148.7 percent of its goal.

We hope you will remember Victory Day, has been set aside as the day to remember and bonds in the homerooms. Although many of us in our every day lives do not think about the Victory Corps extends greatly, without this organization we would be unable to appreciate it's importance.

As the most fortunate, at the right we were not doing anything to help the War effort now that we have our own Victory Corps, we, too, know that we are a part of the war effort and to secure the future happiness for everyone and especially

On March 6 and 7 the class of 1945 successfully presented its play "All Aboard."

The action of this delightful comedy takes place on the S. S. Florida. Here we meet two college boys, Billy Brady and Johnny Thomas. These fellows were pals in college but were rivals in their love for Beatrice Sloan. Billy was, as you could readily see, the favorite.

The tragedy of the play is based on the loss of Billy's four front teeth which were removed by an opponent's foot in a football game. So Billy is forced to wear false ones. Being extremely sensitive about it, he tells no one but his sister, Dorothy.

In a collision with the Captain he loses his "set" and can't open his mouth to talk without revealing his "horrible" secret. His rival Johnny, takes advantage of his predicament and makes love to Beatrice.

As a last resort Billy steals all of the "sets" on board in an effort to replace his own false ones, but only succeeds in starting an uproar among the passengers.

During the confusion two sailors find a set of teeth on deck, and they give them to the captain to auction off to the highest bidder.

Billy bids all of the money he has, but is topped by Johnny's bid of \$900.

Much to Billy's surprise Johnny walks up to him and gives him the set of false teeth because he has learned the truth of Billy's great sacrifice on the football field.

Beatrice also learns the truth and after receiving Billy's forgiveness, proudly accepts his proposal. Johnny anchors his love to Dorothy and from then on "Cupid" pilots the ship.
